

SEOUL 2027

Java in the heart of Korea.

한국의 중심에서 만나는 자바 커뮤니티

One room. Korea's Java builders. Your brand.

Korea builds on Java

5.13%

of GDP invested in R&D

#2 in the world (2024)

JVM

Java & Spring power the
back-ends

of NAVER, Kakao, Coupang, Toss
and Baemin

— *and your company too?*

1st

ChurConf in North Asia

Founding sponsors set the tone

R&D source: OECD data via Asia Business Daily, Sept 2026

One brand. Many cities. Seoul is next.

Your Java event across the seven seas

Every edition grows the network your brand travels with.

We've done this before

80

developers in the room

8

talks from international speakers

1

packed day of Java

Inaugural edition · Parnell, Auckland · Nov 2025

Run by people who run Java conferences

Martin Toshev
